

Light in the darkness...

February 2021

What to say after a year like 2020? In a year filled with much darkness, we remember the moments filled with light. First of all, thank you for your continued support as we farm.

We are so grateful for our farm which has been our refuge during lockdowns and quarantines. Surrounded by God's creation, it's easy to forget the chaos in our world.

John 12:36

"While you have the light, believe in the light and become children of light."

2020 Highlights:

- Zachary Benedict was born April 14, 2020
- All our meat birds were sold in record time!
- We set up an outdoor pen for the goats to graze on fresh pasture.

Psalm 100:2-3

Serve the Lord with gladness; come before Him with joyful songs. Know that the Lord is God; He has created us and we are His people, the sheep of His fold.

We look forward to finishing our goats, hogs, chickens, and cattle on pasture again. Thank you for your business and be sure to send in your order form before March 15, 2021.

Only 5 days after Zachary was born, we picked up our first batch of chicks!

Price Increase

Please be aware that we had to raise our prices this year. Feed prices have gone up over 20% and chicks 12% since 2020. We held off on raising prices last year but we need to increase them this year. We do sincerely apologize for any inconvenience.

*Please note that if feed prices increase drastically from now until July we may need to increase our prices more, but we will personally notify you of this if you pre-order.
