

Chicken: 2022 Order Form

When ordering a chicken from us, we purchase a live bird, raise it and process it for you. We will call you the week of processing and you will be required to pick up your order the day of processing. A \$5 deposit on each bird, which goes against the final bill, will be required with your order form. Your bird will be in a durable freezer bag at pick up, we do not provide coolers or boxes for transfer.

Hogs:

When ordering a hog, we purchase a live pig and raise it to butcher weight. We deliver the live hog to Lake Lenore Butcher where the butcher details will be decided by you. You will be contacted to pick up your processed hog once it's ready. We require a \$75 deposit with order that will go against the total bill. The cost is \$3.00/lb (+\$0.95/lb butchering) per hanging weight (roughly 180lbs a hog) which includes basic cut and wrap. Grinding, sausage, curing and bacon are available at additional costs. Pork will be ready in the fall.
